- 3.1 Grant PUD shall provide a portion of the GRANT PUD Moses Lake Office property at 312 W. 3rd Ave., Moses Lake, adjacent to the parking area as well as two parking spaces plus ADA hatching for the installation of a Level 3 DC Fast Charging Station and a Level 2 Charging Station, as identified in Exhibit C attached hereto and incorporated by reference.
- 3.2 Grant PUD shall contribute up to \$15,000 towards the primary electrical infrastructure/line extension. Grant PUD will also select a rate structure most conducive to the EV charging station infrastructure. EN shall be responsible for all remaining funding for the project.
- 3.3 EN will own the electric vehicle charging station equipment and will charge the general public a fee for the use of the charging stations. EN will provide Grant PUD with access to the Level 2 station for Grant PUD use, and the electricity usage data will be captured separately and provided to Grant PUD on a monthly basis. Grant PUD will bill EN for all electricity used at the station, which will be separately metered. Grant PUD will credit EN for energy used to charge district vehicles. Grant PUD will pay EN for any transaction fees assessed by the network provider for the use of the Level 2 charger by Grant PUD. Grant PUD use of the Level 3 charging station will be at general public pricing.
- 3.4 EN and/or its assigns shall be responsible to maintain the charging stations after they have been placed into service, including the repair and replacement of the charging stations when needed.

**ARTICLE IV
DURATION AND RENEWAL OF AGREEMENT**

- 4.1 DURATION AND RENEWAL. This Agreement shall become effective upon full execution hereof and shall expire on December 31, 2024 with the option to extend for another five (5) year term upon agreement of the parties via formal amendment.
- 4.2 Upon termination of this Agreement, and if the Agreement is not extended, EN will remove the charging stations and return the space to its pre-charging station form, or transfer ownership of the charging stations to Grant PUD for a price agreed upon by both parties at that time.

**ARTICLE V
OWNERSHIP**

- 5.1 Nothing in this Agreement is intended to modify or impede Grant PUD's ownership of the property upon which the charging stations will be located. EN shall retain full ownership of the charging stations and associated infrastructure to serve the charging station during the term of this Agreement. Once installation is complete and approved by Grant PUD, EN will allow the general public reasonable access to the charging stations.

**ARTICLE VI
LEASE PAYMENT**

- 6.1 PAYMENT FOR LEASE. On an annual basis, beginning one year from the date the charging stations are operational, EN shall pay Grant PUD 5% of the annual net revenues received from public use of the charging stations. A detailed revenue report and calculation upon which the lease payment is based shall accompany the payment.
- 6.2 Energy Northwest will create an account and associate the meter that feeds the Level 2 and 3 chargers and pay associated electric bills to Grant PUD.
- 6.3 Grant PUD will credit EN for energy used by Grant PUD to charge Grant PUD-owned vehicles. Energy Northwest will provide, on a monthly basis to Grant PUD, a report detailing energy usage or charging sessions initiated by Grant PUD.
