Kimberly D. Bose, Secretary
Nathaniel J. Davis, Acting Deputy Secretary
Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, D.C. 20426

Dear Secretary Bose:

Subject: **PACKWOOD LAKE HYDROELECTRIC PROJECT
FERC DOCKET NO. 2244-012
CONFIDENTIAL FINAL HISTORIC PROPERTIES MANAGEMENT PLAN**

Enclosed are an original and eight copies of the Packwood Lake Hydroelectric Project final Historic Properties Management Plan (HPMP). The report is confidential and not for public release, and we request that it be placed in the Commission's non-public files.

The report was prepared in consultation with the members of the Packwood Lake Hydroelectric Project Cultural Resources committee. On July 10, 2007 a draft version of the HPMP was issued to the USDA Forest Service, FERC, Washington State Office of Archaeology and Historic Preservation, Cowlitz Tribe, and the Yakama Nation for comment. No comments were received.

If you have any questions or require additional information regarding this matter, please contact Ms. Bernice Kasko at (509) 377-4473.

Respectfully,

J.W. Baker, Vice President
Energy/Business Services

Enclosure: Final Historic Properties Management Plan
