

PERSONAL HISTORY QUESTIONNAIRE (PHQ) AND SELF-DISCLOSURE

UPDATE AUTHORIZATION

All information provided will be treated as PERSONAL-CONFIDENTIAL and observed only by persons with an authorized NEED-TO-KNOW.

In order to meet the requirements of the Nuclear Regulatory Commission (NRC), the nuclear power plant (NPP) to which you are applying for unescorted access authorization requires that you consent to undergo a background screening process. The purpose of the screening process is to determine your trustworthiness and reliability to work within the protected and vital areas of a NPP. Information from this form will be used to conduct a background investigation for access authorization purposes as required by the NRC.

You must provide all information requested in a complete and accurate manner. Your signature on the document is your certification that the information you have provided is complete and correct. Providing deliberate or willful misleading statements to any NPP with the intent to gain access is a violation of Federal regulations. Any misrepresentation, deliberate misstatement, falsification or willful omission may constitute cause for denial or revocation of unescorted access authorization. Failure to report and list reasons for any previous suspension, revocation or denial of unescorted access to a NPP or other entity subject to either the NRC access authorization or FFD regulation may be sufficient cause for denial or revocation of unescorted access authorization or security clearance. If such an instance is detected the plant is required to advise the NRC. The NRC may investigate you and, if appropriate, criminal and civil sanctions may be imposed against you if deemed material by the NRC. When such instances have previously occurred, the result has been a lengthy (five-year) or permanent exclusion from work at nuclear power plants in the United States.

The facts concerning your criminal history or fitness-for-duty record may be subject to interpretation due to varying categorizations of similar offenses between States. It is therefore required that you disclose all information that has any potential for being considered as derogatory to minimize the likelihood of discrepancies between the information you provided and that obtained from other sources. All information requested is needed for the purpose established by NRC regulation or Orders. Results of the investigation will be available as specified in your signed Consent form, to entities authorized by the NRC pursuant to unescorted access authorization programs. In some of the sections of the PHQ you are required to provide your personal information; in other sections you will be required to acknowledge that you understand certain on-going requirements or personal responsibilities. The information requested may include any or all of the following topics: verification of identify, self-disclosure data, employment/unemployment history (including military service and/or education in lieu of employment), criminal history, credit history, character references, residences, and fitness-for-duty history. When not in use, your written information is stored in a secure environment, which may include being electronically placed in a secure database, to prevent unauthorized disclosure of personal information.

CONSENT TO OBTAIN, RETAIN, AND TRANSFER INFORMATION

1. Energy Northwest has my consent to:
 - a. Collect personal information about me in order to verify the information's accuracy;
 - b. Conduct a background investigation (BI) in accordance with United States Nuclear Regulatory Commission (NRC) regulations to verify information I have provided on a Personal History Questionnaire and other information, as necessary;
 - c. Retain personal information provided for investigation; and
 - d. Transfer information from other licensees, as necessary, including information pertaining to the denial of unescorted access authorization (UAA) or unescorted Access (UA) to determine whether to grant me unescorted access to a United States NRC-licensed facility and to allow me to maintain such access.
2. The information collected will only be used for the purposes of determining UAA, UA, or separate fitness-for-duty (FFD) authorization in accordance with 10 CFR Part 26, Fitness-for-Duty Programs, unless I provide a separate release to the licensee for another purpose.
3. I understand that evidence of criminal conduct detected during the conduct of a BI must be reported to the appropriate law enforcement agency.
4. I authorize the use of signed copies of this consent to be used in place of an originally signed consent document.
5. The NRC requires that the information collected be used in determining that an individual is trustworthy, reliable, and fit for duty prior to granting and while maintaining UAA/UA. The results of this determination must be available to other NRC licensed facilities.
6. Any of the following actions related to the providing and sharing of personal information is sufficient cause for denial or unfavorable termination of UAA/UA:

7. I understand that the domestic commercial nuclear industry uses a computerized, restricted-access data system, the Personnel Access Data System (PADS), to share information necessary to process applications of workers for unescorted access to NRC-licensed facilities. I further understand that this system is intended to permit NRC-licensed facility licensees and their accepted contractors/vendors to meet regulatory requirements mandating that certain information be available to any facility licensee by retaining certain access information in a central computer database.

13. All documents pertaining to a 5 year or permanent denial of UAA/UA required by 10 CFR Part 26 will be retained by a licensee making the denial or unfavorable termination of UAA/UA for 40 years or the NRC determines that the records are no longer needed.
14. The records of FFD training and examinations conducted under 10 CFR Part 26 will be maintained for at least 3 years.
15. Records identified are normally maintained at Energy Northwest.
16. I understand that I have a right to review information collected and maintained by Energy Northwest to assure it is accurate and complete and to correct any inaccurate or incomplete information.
17. I understand that, upon my written request to Energy Northwest, and at no cost to me, I will be provided, within 10 business days, with a printed copy of the information about me which is recorded in the database. If, after my review of such information, I can show that any of the information is incorrect or incomplete, such information will be corrected and/or completed as soon as is reasonably practical.
18. I understand that at any time and upon written notice to Energy Northwest, I may withdraw this Consent, but this will also constitute a withdrawal of my request for access. I understand that any processing activities that were initiated before receipt of my withdrawal of consent shall continue and the resulting information will be retained in the database. No new inquiries shall be initiated after receipt of my withdrawal of consent and PADS participants are not permitted to retrieve information from the database other than my name, date of birth, identification number, and the fact that my consent has been withdrawn, thereafter unless I provide a currently valid Consent or it is required by NRC regulation.
19. I hereby release Energy Northwest, other PADS participants, Nuclear Energy Institute (NEI), and the officers, employees, representatives, agents, and records custodians of each as well as the officers, employees, representatives, agents, and records custodians of any entity or individual supplying or using such information from any and all liability based on their authorized receipt, disclosure, or use of the information obtained pursuant to this Consent and to determine my eligibility for unescorted access.
20. I understand that this Consent is not intended to and does not affect any right or responsibility that I, my employer (if not Energy Northwest), or may have under Section 211 of the Energy Reorganization Act of 1974, as amended. I further understand that nothing herein (1) affects my right or my responsibility to bring potential safety concerns to my employer (if not Energy Northwest), or the NRC; or (2) prohibits me from participating in any proceeding or investigation regarding such a potential safety concern.
21. I have read and understand this Consent and authorize Energy Northwest to take such actions as are described herein or specified by PADS procedures. While I understand that unescorted access is dependent upon my accepting the regulatory requirements of this program, the statements made by me in this Consent and my decision to sign this Consent are voluntary. NOTIFICATION OF LEGAL ACTION**

Federal Regulations require that individuals applying for and who have been granted unescorted access at Nuclear Power Plants must report legal actions. SUMMARY OF YOUR RIGHTS UNDER THE FAIR CREDIT REPORTING ACT

(Para informacion en espanol, visite www.ftc.gov/credit o escribe a la FTC Consumer Response Center, Room 130-A 600 Pennsylvania Ave. N.W., Washington, D.C. 20580.)

The federal Fair Credit Reporting Act (FCRA) promotes the accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Here is a summary of your major rights under the FCRA. For more information, including information about additional rights, go to www.ftc.gov/credit or write to: Consumer Response Center, Room 130-A, Federal Trade Commission, 600 Pennsylvania Ave. N.W., Washington, D.C. 20580.

1. You must be told if information in your file has been used against you. Anyone who uses a credit report or another type of consumer report to deny your application for credit, insurance, or employment – or to take another adverse action against you – must tell you, and must give you the name, address, and phone number of the agency that provided the information.
2. You have the right to know what is in your file. You may request and obtain all the information about you in the files of a consumer reporting agency (your “file disclosure”). You will be required to provide proper identification, which may include your Social Security number. In many cases, the disclosure will be free. You are entitled to a free file disclosure if:
 3. a person has taken adverse action against you because of information in your credit report;
 4. you are the victim of identify theft and place a fraud alert in your file;
 5. your file contains inaccurate information as a result of fraud;
 6. you are on public assistance;
 7. you are unemployed but expect to apply for employment within 60 days. In addition, by September 2005 all consumers will be entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See www.ftc.gov/credit for additional information.
8. You have the right to ask for a credit score. Credit scores are numerical summaries of your creditworthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender.
9. You have the right to dispute incomplete or inaccurate information. If you identify information in your file that is incomplete or inaccurate, and report it to the consumer reporting agency, the agency must investigate unless your dispute is frivolous. See www.ftc.gov/credit for an explanation of dispute procedures.
10. Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information. Inaccurate, incomplete or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.
11. Consumer reporting agencies may not report outdated negative information. In most cases, a consumer reporting agency may not report negative information that is more than seven years old, or bankruptcies that are more than 10 years old.

SUMMARY OF YOUR RIGHTS UNDER THE FAIR CREDIT REPORTING ACT (Contd.)**

12. Access to your file is limited. A consumer reporting agency may provide information about you only to people with a valid need -- usually to consider an application with a creditor, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.
13. You must give your consent for reports to be provided to employers. A consumer reporting agency may not give out information about you to your employer, or a potential employer, without your written consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to www.ftc.gov/credit.
14. You may limit "prescreened" offers of credit and insurance you get based on information in your credit report.
