QUALIFICATION INQUIRY

A recent amendment to the Gun Control Act (GCA) has removed the exemption for some law enforcement and government agency employees who may have been convicted of the misdemeanor crime of Domestic Violence. As defined in the GCA, a misdemeanor crime of “domestic violence” means an offense that:

- (1) is a misdemeanor under Federal or State law; *and*
- (2) has, as an element,
 - (a) the use or attempted use of physical force, *or*
 - (b) the threatened use of deadly force.
- (3) And when the offense is committed by a:
 - (a) current or former spouse, *or*
 - (b) parent or guardian of the victim, *or*
 - (c) person with whom the victim shares a child in common, *or*
 - (d) person who is cohabiting with or has cohabited with the victim as a spouse, parent or guardian *or*
 - (e) person similarly situated to a spouse, parent or guardian of the victim.

The GCA does NOT exempt employees of government agencies from prohibition respecting their receipt or possession of firearms or ammunition.

Thus, law enforcement officers and other government officials who have been convicted of a qualifying misdemeanor will not be able to lawfully possess or receive firearms or ammunition for any purpose including performing their official duties.

Upon receipt of this IOM you are required to complete the Qualification Inquiry and return it with your employment application/at the time of your interview. In completing this form you are advised:

- (a) The purpose is to obtain information that will assist in the determination of whether personnel reassignment and/or administrative actions are warranted.
- (b) Neither your answers nor any information or evidence gained by reason of your answers can be used against you in any criminal prosecution for violation of Title 18 United States Code, Section 922(g)(9). However, the answers you furnish and any information or evidence resulting therefrom may be used against you in a criminal prosecution for knowingly and willfully providing false statements or information, and in the course of company personnel actions.
