

COVID-19 Travel Guidance

Employee Domestic Travel Guidance

All employees regardless of vaccination status:

- There are no domestic travel restrictions
- Employees must be asymptomatic and meet EN screening criteria prior to returning to work

Employee Travel Guidance Outside of the US (international travel)

All employees regardless of vaccination status are required to follow the CDC guidance on international travel, be asymptomatic and meet EN screening criteria prior to returning to work.

The CDC travel guidance can be found at: [International Travel | CDC](#)
