THIS WARRANTY IS MADE EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE, MERCHANTABILITY OR OTHERWISE.**

7. **INDEMNIFICATION AND LIABILITY**

7.1 **Indemnification** To the extent of its comparative liability, each party shall indemnify, defend, and hold the other party, its departments, elected and appointed officials, employees, and agents, harmless from and against any and all claims, demands, damages, losses, actions, liabilities, costs, and expenses, including attorney’s fees, for any bodily injury, sickness, disease, or death, or any damage or destruction of property, including the loss of use therefrom, which are alleged or proven to be caused in whole or in part by a negligent act or omission of the other party, its officials (elected or appointed), officers, directors, employees and agents.

If the claim, suit or action for injuries, death or damages as provided for in the preceding
paragraph is caused by or results from the concurrent negligence of the parties or their respective agents or employees, the indemnity provision shall be valid and enforceable only to the extent of the indemnitor's/indemnitee's negligence.

Industrial Insurance Act: The indemnification obligations contained in this Section 7.1 shall not be limited by any worker's compensation, benefit or disability laws, and each indemnifying party hereby waives any immunity that said indemnifying party may have under the Washington Industrial Insurance Act, Title 51 RCW, and similar worker's compensation, benefit or disability laws. THE PARTIES ACKNOWLEDGE BY THEIR EXECUTION OF THIS AGREEMENT THAT EACH OF THE INDEMNIFICATION PROVISIONS OF THIS AGREEMENT (SPECIFICALLY INCLUDING BUT NOT LIMITED TO THOSE RELATING TO WORKER'S COMPENSATION BENEFITS AND LAWS) WERE SPECIFICALLY NEGOTIATED AND AGREED TO BY THE PARTIES.

7.2 Limitation of Liability. Except for the indemnifications set forth in Section 7.1, neither Party shall be liable for any special, indirect, consequential, lost profits, or punitive damages. The limitation of liability set forth herein is for any and all matters for which the Parties may otherwise have liability arising out of or in connection with this Agreement, whether the claim arises in contract, tort (negligence of whatever degree), strict liability, under any warranty, or under any other legal or equitable theory of law, of any nature arising at any time from any cause whatsoever.

The Utility agrees to limit Energy Northwest's liability to the Utility for any damage on account of any error, omission or negligence to the amount of payment received by Energy Northwest from the Utility for the particular service that gave rise to the claim and the Utility shall indemnify and hold Energy Northwest harmless for any amount in excess of the above agreed to limit. Energy Northwest's cumulative liability to the Utility under this Agreement is limited to the assets of the Business Development Fund of Energy Northwest. Obligations of the Energy Northwest Business Development Fund are not, nor shall they be construed as, general obligations of Energy Northwest or other Energy Northwest projects or funds.

7.3 Insurance. Each party shall secure and continuously carry in effect, with an insurance company or companies reasonably acceptable to the other, the following insurance policies:

Each party shall maintain insurance for bodily injury and property damage. Such insurance shall include: provisions or endorsements naming the other party and its elected officials, officers, agents, and employees as additional insureds; provisions that such insurance is primary insurance with respect to the interest of each party, and that any insurance maintained by the party is excess and not contributory insurance with insurance required hereunder; and provisions or endorsements to include broad form comprehensive liability and blanket contractual liability. Initial limits of liability for all required under this paragraph shall be $1 Million ($1,000,000) for each occurrence and $2 Million ($2,000,000) general aggregate. Anything in this Agreement
notwithstanding, the parties to this Agreement mutually agree to limit the other party's liability for insurable events arising from the performance under this Agreement to the amount of the insurance proceeds available as provided in this Section 7.3.

All insurance policies required hereunder shall contain provisions that such policies shall not be canceled or their limits of liability reduced without thirty (30) days prior written notice to the other party. Each party shall provide the other with a Certificate of Liability Insurance naming the other, and its elected officials, officers, agents, and employees as additional insureds. It is expressly understood and agreed that is the intention hereof to constitute a waiver and release of any and all subrogation rights which a party may have under any such insurance policies.

The Utility is wholly or partially self-insured and may satisfy the insurance requirements of this Agreement by providing evidence of such self-insurance funding and, by letter, commit its self-insurance program to the minimum amounts required herein.

7.4 **Survival** Articles 6 and 7 shall survive the expiration or termination of this Agreement for any reason.

8. **MISCELLANEOUS**

8.1 **Severability** Should any part of this Agreement for any reason be declared invalid, such decision shall not affect the validity of any remaining provisions, which remaining provisions shall remain in full force and effect as if this Agreement had been executed with the invalid portion thereof eliminated, and it is hereby declared the intention of the parties that they would have executed the remaining portion of this Agreement without including any such part, parts, or portions which may, for any reason, be hereafter declared invalid. Any provision shall nevertheless remain in full force and effect in all other circumstances.

This Agreement may only be amended by an agreement in writing executed by the parties hereto.

8.15 **Force Majeure** Energy Northwest shall not be responsible for delays or failures (including any delay by Energy Northwest to make progress in the prosecution of any Services) if such delay arises out of causes beyond its control.
