Subject: PACKWOOD LAKE HYDROELECTRIC PROJECT
FERC DOCKET NO. P-2244
LICENSE ARTICLE 202
APPROVED EXHIBIT F DRAWINGS

Reference: Letter dated October 11, 2018; FERC to Energy Northwest; Order Issuing New License

Energy Northwest in accordance with Article 202 of the Order Issuing New License issued by the Federal Energy Regulatory Commission (FERC) October 11, 2018, herein files the approved Exhibit F drawings in electronic file format for the Packwood Lake Hydroelectric Project. This submittal contains two sets of the exhibit drawings on compact disc. These exhibits are filed as Critical Energy Infrastructure Information (CEII) under 18 CFR §388.113(c).

The approved exhibit drawings contained in this filing are as follows:

<table>
<thead>
<tr>
<th>EXHIBIT F DRAWING NO.</th>
<th>FERC DRAWING NO.</th>
<th>FERC DRAWING TITLE</th>
</tr>
</thead>
<tbody>
<tr>
<td>F-1.1</td>
<td>P-2244-1010</td>
<td>Intake Canal and Drop Structure Plan and Sections</td>
