Instructions

You must name at least one primary beneficiary. Do not name yourself. If you pick more than one primary beneficiary or more than one contingent beneficiary, the total percentage(s) for each category must add up to 100%. Use whole numbers (for example, 50% and 50% or 66% and 34%).

If you have more than four beneficiaries, attach a separate sheet with the same information as below; then sign and date it. Alternatively, you can update your beneficiary information online.

If you die in the line of duty, your beneficiary(ies) could be entitled to a one-time, duty-related death benefit. The same people you name below on this form will automatically be added as your beneficiary(ies) for this benefit. If you want to name different people or put in different percentages, you can make those changes in your online account at www.drs.wa.gov/oaa.

Important Definitions

Primary beneficiary: A person or entity (for example, an estate, trust, charitable organization, etc.) you choose to receive your money. After your death, we will pay all primary beneficiaries either equally or in the percentages you chose. If you are married and name someone other than your spouse as your beneficiary, retirement system laws may require DRS to pay your spouse. The total designation for your primary beneficiary selection(s) must equal 100%.

Contingent beneficiary: A person or entity you choose to receive your money if both you and all your primary beneficiaries die. The total designation for your contingent beneficiary selection(s) must equal 100%.

Signature Required

Pay any funds related to my account to my primary beneficiary(ies) in the percentage(s) I chose or as required by law. If any beneficiaries precede me in death, share their percentages equally among the remaining primary beneficiaries. If no primary beneficiaries survive me, send any funds to my contingent beneficiaries. All the information I have entered is true and complete. These changes replace any previous beneficiary choices I have made.
