

Directions to Energy Northwest's Office Complex

- Drive to 3000 George Washington Way. The Complex is located on the right hand side of the street; take the second parking lot entrance past the Hills Street intersection.
- Energy Northwest is located in the 2-story complex, on the ground floor.
- Please line up outside on the side walk marked for new hires.
- We will do all medical screening outside and then you will enter through the revolving doors.
